

PROGRAMMABLE THERMOSTATS

PRECISE, EFFICIENT INDOOR TEMPERATURE CONTROL

OUR THERMOSTATS OFFER COMFORT YOU CAN COUNT ON.

CUSTOMIZE YOUR COMFORT

Carrier programmable thermostats provide customized indoor comfort and energy savings. Programmable thermostats can be set to match your lifestyle. Our programmable thermostat will keep your home comfortable while helping you avoid paying for heating and cooling when you're not home to enjoy it. All you have to do is plan your schedule, follow simple programming instructions and LCD prompts, and enjoy the benefits of customized comfort and enhanced energy efficiency. With the touch of a single button, the Copy Previous Day function eliminates the need to re-enter time and temperature information.

SYSTEM MONITORING

Carrier's user-friendly thermostats maximize the performance of Carrier indoor comfort systems. With a Carrier programmable thermostat, you can reliably monitor your indoor comfort system for long-lasting comfort you can count on. Carrier thermostats keep track of routine maintenance and comfort system information by telling you when it's time to clean the system's air filter. The optional outdoor sensor allows you to view the outdoor temperature without leaving the comfort of your home. In addition, Carrier offers specialized features such as keeping track of system efficiency by monitoring use of auxiliary heat with an auxiliary heat indicator.

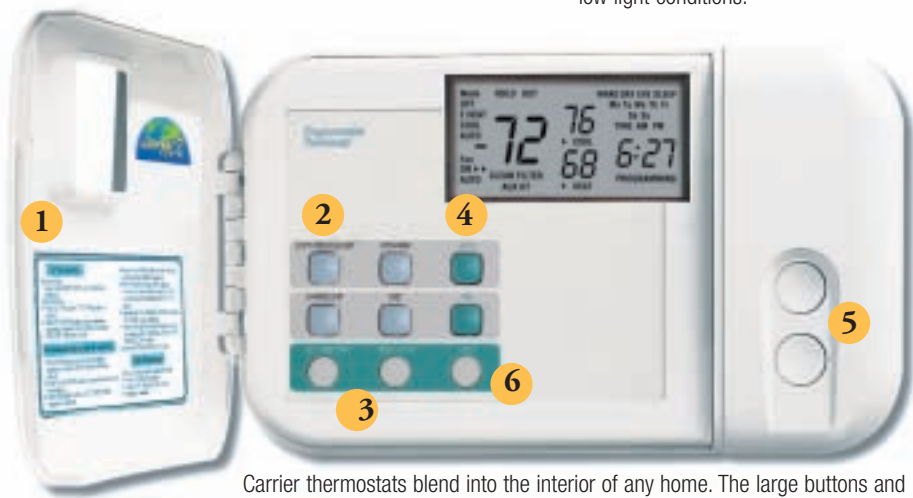

Carrier's user-friendly, intelligent thermostats enable you to control your indoor comfort.

SIMPLICITY

- 1 For quick reference,** easy-to-follow instructions are posted inside the door.
- 2 Simple programming** is assured by duplicating the previous day's schedule with the Copy Previous Day button.
- 3 To enjoy clean air,** the Reset Filter button lets you know when the air filter needs to be cleaned or changed. Timer length can be adjusted to your home's conditions.
- 4 Make life easier** by setting the mode button to AUTO to automatically change the operating mode between heat and cool.
- 5 Response** is quick and easy with large buttons.
- 6 Override the system** when special occasions occur by utilizing the Hold button to temporarily adjust the temperature without reprogramming your entire schedule.

Easy-to-read LCD Display lights up for accurate readings at a glance, even under low light conditions.

Carrier thermostats blend into the interior of any home. The large buttons and streamlined appearance make these thermostats very homeowner friendly.

WARRANTY

Protected by a **five-year limited warranty**. Extended warranties are also available as a part of your complete Carrier system. Ask your Carrier dealer for details.
